TO PURCHASERS.

WHILE we make a specialty of Native Perennials for the Wild Garden, we offer this list of select plants for the Garden and Shrubbery, with a collection of Chrysanthemums, standard varieties, from good, healthy stock.

Purchasers are requested to state the name of the Express Company or R. R. Freight by which plants should be forwarded; we ship from Barrytown by the American or National Express, and by Steamboat Freight to Albany and Newburg and intermediate places; also by Boat Freight to New York. Parcels sent by Adams Express will be shipped from Red Hook, Dutchess Co., N. Y.

Orders from purchasers whose names are not on our books should be accompanied by cash, or satisfactory reference should be given.

Our plants are delivered free at the Express or Freight office at Barrytown or Red Hook, after which our responsibility ceases.

We make no charge for packing, except for large cases and shrubs.

We should be notified at once of any delay in the receipt of stock, or of any error made in filling an order.

For injury occurring during transit, complaint should be made to the Express Company, as we take every care in packing.

A reduction will be made in the prices of plants purchased in large quantities.

Our Price List of Native Perennials for the Wild Garden will be sent on application.

Remittances by cheque or money order should be made payable to, and all correspondence addressed,

SHATEMUC NURSERIES

BARRYTOWN, DUTCHESS COUNTY, N. Y.

HERBACEOUS PERENNIALS.

These are hardy Plants of easy cultivation.

THE soil should be well enriched, and after planting kept well stirred in hot dry weather. The plants should be mulched when freezing weather sets in.
